A composition of music is protected according to §64 of the german UrHG, in favor of composers and songwriters for 70 years after the death of the authors. Because of this we need this signed permission (§23 of the german UrHG), that You are the author of the provided music You will send us, and that You also transfer the rights / copyrights to the DJ-League and its members, to use Your music in radio shows, livestreams and events for free. You ensure, with signing this permission, that You own all rights / copyrights of the files You will send us from now. You also ensure that these files does not violate third person rights. And You understood, that You are totally responsible for the tracks You will send us.
